## Thanks for joining the EatHub community!

Now that You've created an EatHub account, You can access all the features provided by this app:

- easy search of restaurants, cafes, bars or snacks according to your gastronomical or financial preferences.
- full personal statistics of places visited, calories consumed and money spent.
- possibility to share your experience with friends.
- recommendations of places to visit based on your preferences.
- warnings if your nutrition habits are not very healthy.

## Privacy Policy

### I. USE OF YOUR DATA

Your data will be used to provide You with the best restaurant recommendations and detailed statistics on the places visited, money spent and calories consumed. \*

### II. WHO HAS ACCESS TO YOUR DATA

Your data can be accessed only by You and the EatHub data center in order to get statistics. \*\*

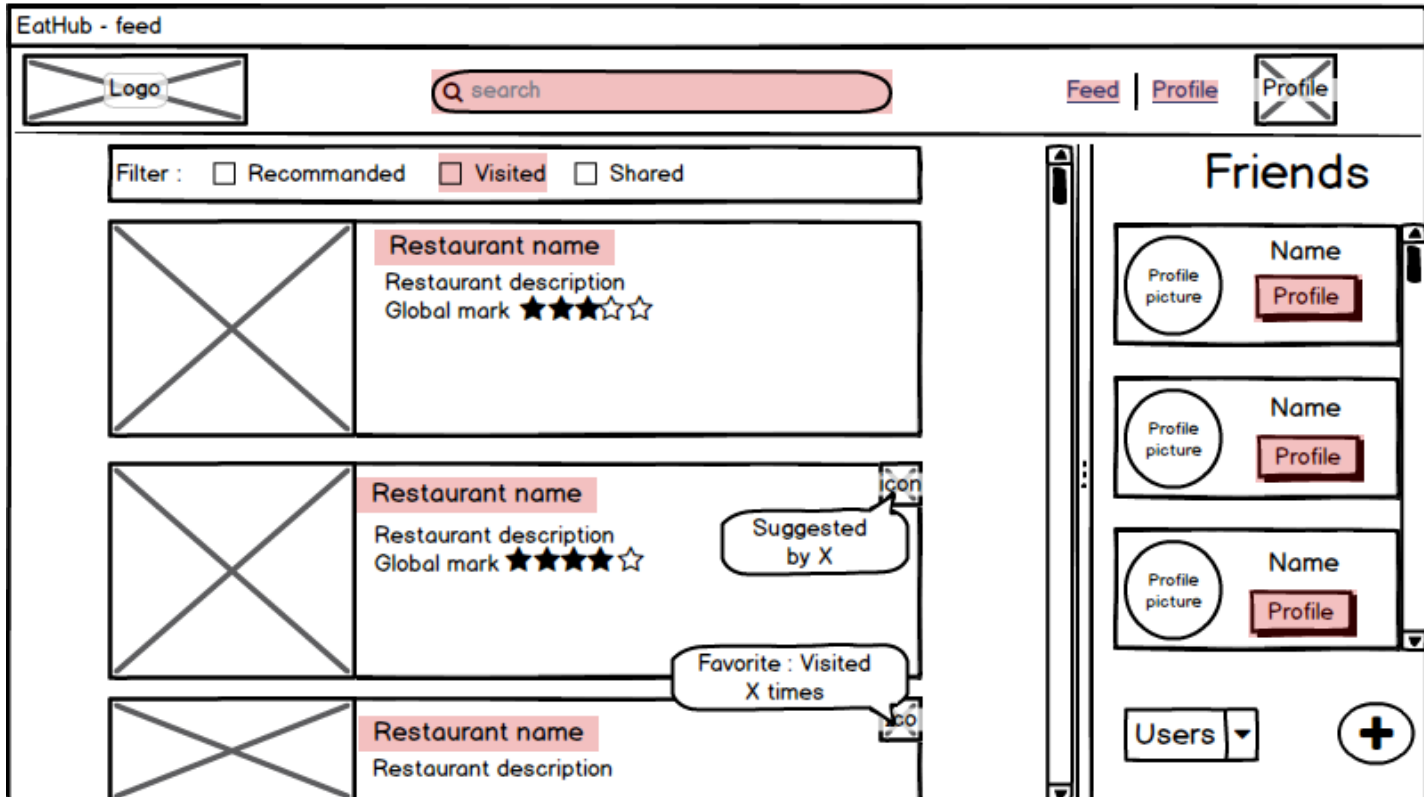

### III. WHAT HAPPENS TO YOUR DATA WHEN YOU DELETE YOUR ACCOUNT

When you delete your EatHub account, your data is deleted from our servers. \*\*\*

\* and also to be sold to Google.

\*\* and by Google since we sell them all data.

\*\*\* but not from the Google servers.
